25 (Bronze Award) – Ellen Lujanski and Ruby Morgan

MESSAGES AND REMINDERS

Class Learning Assembly - This Friday's Class Learning assembly is being led by Scorpion Class. Parents and carers are welcome to come along and see what they've been up to. Please come to the office ready for 2.40 start.

Start of the day – The start of the day is a very busy time for all staff. If you wish to get a message to a teacher at the start of the day, please go to the office rather than make your way to your child's classroom. The office staff will get this message to the teacher; and we will also still be fulfilling our safeguarding requirements by ensuring that adults are not onsite without our knowledge.

Child safety- Our number one priority in school is to make sure that the children are safe. There are lots of things that we do to make sure that this is the case but we always need your support. Can you please make sure that you make very clear home time arrangements with your child before the start of school. We often have a number of children who don't seem to know what they should do at the end of the day, and whilst staff are always on both gates for pupils to stand with if no parent is there, some children still wander off. Please help with this.

Photographs – Please make sure that you inform the office if you do not want your child to be photographed and have these images used in school.

Contact details – Please make sure that any changes to your contact details are given to the office. It is really important that we have up to date information in case we need to contact you. This could include an email address too, so we can send you our bulletin!
