MESSAGES AND REMINDERS

Start of the day – The start of the day is a very busy time for all staff. If you wish to get a message to a teacher in the morning, please go to the office rather than make your way to your child's classroom. The office staff will get this message to the teacher; and we will also still be fulfilling our safeguarding requirements.

Poppies – From Monday 6th November we will be offering children the opportunity to buy a poppy in school. As you know, there is no minimum donation to 'buy' a poppy but we usually ask that at least 5p for this important cause is made. We will also be selling other things for this cause at a fixed price of 50p and £1

School Photographs – Photos of your little lovelies were taken this week. You will very soon receive a proof of this photograph with instructions on how to order.

Photograph permission – We still have a number of parents that have not returned photo consent forms. Please make sure that you inform the office if you do not want your child to be photographed.

Contact details – Please make sure that any changes to your contact details are given to the office. It is really important that we have up to date information in case we need to contact you. This could include an email address too, so we can send you our bulletin!
