

# YEAR FOUR

Happy New Year!

The children in year 4 have made a fantastic start to 2022, with lots of happy smiles, hard work and focus in all our classes.

We have started our Egyptian Topic 'Tomb Raiders' and are all looking forward to our trip to Norwich Castle at the end of the month where the children will spend the day immersed in learning about Egyptians and the rights and wrongs of investigating historical sites.

The children will need a packed lunch and drink for their trip to the Castle Museum, preferably in disposable packaging please.

There are some great websites for children about Egyptians. Take a look at <http://www.ancientegypt.co.uk> for some super facts and images.

Please could all children have a change of footwear and a coat to wear outside during the next half-term. It would also be advisable for them to have a number of layers (vest, shirt and sweatshirt) as we are still keeping windows open in the classrooms and it does get chilly!

**Reminder: Malorie and Seacole are swimming on Thursdays this half-term so only need to wear their indoor P.E. kits to school on a Wednesday.**

## Homework Each Week

Just a reminder that the following **must be completed** each week:

1. **Minimum of 3 x 15 min reading sessions**
2. Minimum of 2 x 10/15 min sessions on TT Rockstars/Numbots
3. Minimum of 2 x 10/15 min sessions on Spelling Shed + Optional Homework.

This week we have been learning how to multiply 1 digit by 2 and 3 digits. We are using an expanded column method for the first time. Here is an example for you if you are able to support at home.

$$\begin{array}{r} 46 \\ \times 5 \\ \hline 30 \quad (5 \times 6) \\ 200 \quad (5 \times 40) \\ \hline 230 \end{array}$$
