## Welcome back

And we're back. We've completed our 2nd full week back after a well deserved Christmas break. ... and what a fortnight it's been.

We kicked off our first week with a fantastic DT project to research, test and design a new porridge product which would be cheap and nutritious for the peasants and convicts to complete our Hung, Drawn and Quartered topic.

And this week we've been liking at Fossils and inheritance to kick start this half terms topic, Fossil Hunters.

**We have been so impressed with how the children have come back to school. They have dived back into their learning, keen to complete the challenges offered! Well done Year 6!**

Remember

To complete weekly homework tasks and  
Practise times tables, spelling and reading at  
least 3 times per week each.

Reading daily is even better
