Glorious Geographers

Thank you for all your donations of boxes and cocktail sticks: the children had lots of fun making Geographical models of the upper, middle and lower courses of a river system. Take a look....

Local Foodbank Donations

As a Harvest gift, we would like to give donations to our local Food Bank. If you feel that you could contribute please see the list of suggestions below:

Sponge puddings; instant mash (boxed/sachets); long Life milk; fruit Juice; small bottles of laundry detergent; shampoo & shower gel and tinned rice pudding.

It was fantastic to see so many of you at our recent parent/carer café. I think you will agree some of the poems produced were very powerful!

Help!

The tree stealers are all around
Ruining our precious ground.
Life around me all stands still;
the lack of oxygen makes them ill.

How long has my forest got left?
It is all vanishing due to tree theft
My wildlife are all suffering
The outsiders think they are the king.

Exotic birds flee the disaster
With my four legged species dashing
after.
Rare animals are on the verge of dying
All are gone and I am left crying.

By CJ

Habitat harmers burn my body.
The bombinating rattle and roaring
As the sly snakes slither across me.
The distant sound of sawing....
