

Wow, we are certainly glad that the sun has come out! We are taking advantage of the glorious weather and having our indoor PE sessions on the field, practising our sending and receiving skills. Ask them to show you their ball skills against a wall!

We are still fully immersed in our Ancient Greek topic. We have been considering their religion and how this has impacted modern society. Next week we hope to start our clay sculptures!

In music we are fortunate to be playing the keyboards with Estelle every Friday.

We hope there has been lots of exciting talk at home about the Greek Mythologies that we are currently writing. Ask your child if they are writing about Perseus, Zeus, Athena or someone else? Who is their villain and what special mission have their hero been tasked with?!

QUESTION: Where is the adverbial phrase?...

With a grin on his face and a determined look in his eye, Perseus held up his sword and sliced off her head.

What's coming up next term?...

W.c. 17th June - **Is it fair?** (Religion and Worldviews)

W.c. 24th June—**Lifecycles and Fieldwork** (Trip to the Norfolk Broads)

OxfordOWL

Take advantage of the Oxford Owl website where your children can read books meant for their level (and above).

In Maths we have been learning about...

Positioning and direction with translating different shapes and coordinates. Here is a BBC link to help learn with your child! <https://www.bbc.co.uk/bitesize/articles/zk7dg7h#z6fxfdm>

True or False? Problem solving with coordinates

It is not possible to work out the coordinates of vertex A

A (2, 4) (7, 4) (7, 9)

White Rose Maths

Homework Expectations:

30 minutes TTR and EdShed (this is in addition to whatever is completed in class)

A minimum of **4 reads each week**— please chat to your child about their reading as their comprehension of a text is vital to enjoyment and good understanding. Please sign the diary when your child reads as this helps with communication between you and your child's class teacher.

There are always games on Google Classroom to support your child with their learning.

With this beautiful weather, please remember to send your child in with a water bottle, hat and already protected with sun-cream.
