

YEAR FOUR

This week...

In Topic, we were very excited to go through the process of taste testing, selecting the ingredients, and creating our final design. We practised a variety of cutting, grating, peeling and spreading skills and thoroughly enjoyed eating the final products.

Sports day— What a fantastic morning of sports! We took part in a variety of activities such as hurdles, sack race, javelin and long – jump. We all showed great team spirit and supported one another brilliantly.

RE Week

This week we are completing our final Religion and Worldviews topic on the big question ‘What does it mean to be a Hindu?’ We are learning about the Hindu gods, holy books and places.

Next Week ...

We will be starting our final piece of writing—a narrative.
