

YEAR FOUR

Maths

In the last two weeks of maths, we've been learning about place value up to 10,000.

We have been learning how to write, partition, compare and put these numbers on a number line.

We have also been practicing our arithmetic skills.

English

In English, the children have been working on their adventure narrative about two children going back in time to Roman Britain.

We have looked at how to use fronted averbials, subordinate clauses and expanded noun phrases to make our writing more entertaining for the reader.

Other work

We have also been able to start learning about the internet and how devices network with each other in Computing, start our French lessons based around Red Riding Hood, Learn about Pulse and Pitch in Music and start our Swimming lessons.

Homework

This year the children will bring home a double sided homework sheet every Friday. One side will be that weeks spellings and the other side will be to practice that weeks times tables. This will be brought in the next Friday to mark.

We would also like to have the children try to do:

1. 3 x 10/15 min sessions on TT Rockstars
2. 3 x 10/15 min sessions on Spelling Shed
3. 3 x 15 min reading sessions— diaries **MUST** be signed by an adult

Topic

In Topic we are looking at the Roman invasion of Britain.

We have begun by looking at where Rome is and what life was like for the Celts before the invasion. We have also learned **WHY** the Romans wanted to invade.

Swimming

Malorie and Parks—Autumn
Term 1
