Year 3 Stone Age Workshop

Dear Parents/Carers,

As part of our topic where we are answering the question “How did life change from the Stone Age to the Iron Age?”, we are exciting to tell you that the children will have the opportunity to take part in a Stone Age workshop. One Day Creative will be visiting us at school on **Tuesday 22nd October 2024**.

Learning will include:

- Exploring the people of the Stone Age and the world in which they lived.
- Discovering the changes in people’s lives through the Bronze Age with the introduction of farming and living in bigger communities.
- Explore the growth of communities in the Iron Age and the different kind of jobs people had within settlements.

We know that this will provide an exciting and invaluable experience for the children! There is no cost to you for this workshop so there is no action required from you. Children will come to school as normal and throughout the day each class will get to experience the 90-minute workshop.

As ever, if you have any questions or concerns, please do not hesitate to contact us via the school office.

Best wishes,

The Year 3 Team
