

Year Three!

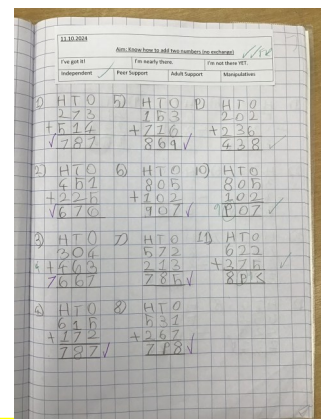

Well done Year 3!

We want to say a big congratulations to all of our Year 3 pupils for settling into our school so well and for having a positive start to the year. It has been lovely to see so many of you at Parent's Evening and celebrate what they have achieved so far!

Marvellous Maths!

Over the last couple of weeks, we have been learning all about column addition and subtraction to add and subtract 2-digit and 3-digit numbers in Maths. The children have shown fantastic knowledge of place value and have been marvellous mathematicians!

Look on our website under 'Curriculum' if you'd like to know more about our calculations policy.

Homework Each Week

The following must be completed:

1. Spelling and Times Table sheet
2. **Minimum** of 3 x 15 min reading sessions—diaries **MUST** be signed

Thank you for your support with this!

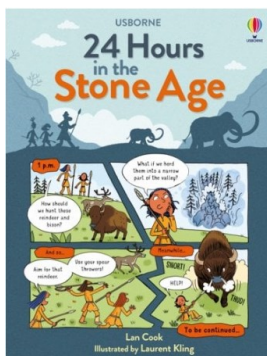

Topic

We have worked our way through the Stone Age (Paleolithic, Mesolithic and Neolithic eras) and we are now learning all about the changes to life during Bronze Age and the Iron Age.

The children created their own Bronze Age settlement to show their understanding of the differences between life in the three stone age eras and the changes that came in the Bronze Age. We were amazed by knowledge they showed and their attention to detail!

Well done Year 3!
