

YEAR SIX

Dereham
Church Of England
Junior Academy

Nearly half term already!

And just like that, the first half term of year 6 is nearly over! The children have worked hard rising to all the challenges that have been thrown at them. They have written some great narrative pieces in English, conveying character, incorporating dialogue and creating mood and atmosphere. In Maths, they have been getting to grips with formal methods for the four operations. They have also been introduced to long division for the first time and are showing great promise. Our work on Brasil is coming to a close but, hopefully, the information they have learnt about this amazing country will stay with them for years to come.

Next topic: Hung, Drawn and Quartered...

Booktalk!

A great, heart-warming read and coming to the big screen this weekend!

When robot Roz opens her eyes for the first time, she discovers that she is alone on a remote, wild island. Why is she there? Where did she come from? And, most important, how will she survive in her harsh surroundings?

Roz's only hope is to learn from the island's hostile animal inhabitants. When she tries to care for an orphaned gosling, the other animals finally decide to help, and the island starts to feel like home. Until one day, the robot's mysterious past comes back to haunt her....

Website and Social Media

Don't forget to follow us on Facebook and Instagram and make sure you check our website for more information and photos of what the children have been getting up to.

Rivers

As part of our 'Under the Canopy' topic, we have learnt about the different features of a river. The children have worked in groups to produce some great models incorporating the main features. Here are some photos of them in progress...

Upcoming dates:

November

- Return to School (4th)
- Flu Vaccs - Whole School (5th and 25th)
- Upper School CW (Rev'd Paul) (7th)
