

# YEAR SIX

**Dereham**  
Church Of England  
Junior Academy

## English

As we are drawing closer to the end of the half term, we are now saying goodbye to our Quest stories and hello to the Highway Man! We will be looking at Alfred Noye's work and will eventually produce our own poem inspired by the author. But before we share our amazing poems with you, why not check out some of the fantastic atmospheric writing produced from our Year 6s in their Quest story!

## Jars Please!

Year 6 will soon be completing some Christmas craft activities but we desperately

need jars to do this! Please have a look through your cupboards at home, it would be much appreciated.
