

# FLU CATCH-UP COMMUNITY CLINICS

The festive season is a time for travelling, visiting family, and gathering with loved ones – but it's also the perfect opportunity for the flu to spread. With packed trains, busy airports, and close contact at family gatherings, the risk is higher than ever.

Making sure your child has had their flu vaccine is the best way to protect yourself and those you care about.

## Stay Well:

Keep the festive spirit alive without the misery of flu.

## Protect Others:

Especially children, the elderly, and those more vulnerable.

## Stop the Spread:

Help prevent flu outbreaks this holiday season

If your child missed their flu vaccination at school, you can book an appointment at one of our community clinics.
