

# YEAR FOUR

**Dereham**  
Church Of England  
Junior Academy

## Maths

We have kick started this half term with learning about perimeter. Can your child calculate the perimeter of their bedroom/garden/house?!

We will then move on to fractions including unit and non unit fractions, ordering, adding/subtracting and finding fractions of shapes and amounts.

## English

The children have just started a unit on narrative where they have been looking closely at an Egyptian adventure story (linking in our topic work.) By the end of the unit they will have written the opening of their own adventure story focussing on building tension to grip the reader.

## Swimming & PE

**Well done to everyone that remembered their PE and swimming slots. Just to remind you.**

**Indoor PE:**

**Tuesday—Malorie & Parks**

**Wednesday—Seacole**

**Thursday:**

**Parks & Seacole—Swimming**

**Malorie—Outside PE**

## Topic

Year 4 had a fantastic day at the Norwich Castle Museum this week learning all about the Egyptians.

## Music

This term, year 4 are learning the recorder in their music sessions. This week was their first session with the instrument which they really enjoyed.
