

Year Three!

Mondrian Art!

Year 3 have spent the last week learning all about Mondrian Art. They have explored the term abstract and have been inspired by Mondrian's use of straight lines and block colour to create their own Mondrian style artwork!

It has been lovely to see the children get creative and bring out their inner artists!

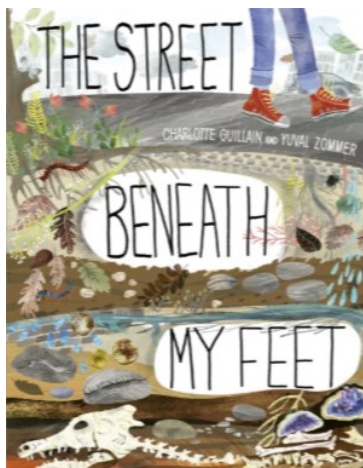

Religion & World Views

This week, we have been exploring the big question 'How do people show commitment to the Jewish faith?'. The children have had some great discussions surrounding Judaism and have come up with some incredible questions for us to answer along our journey through Judaism this week!

Other Work

In **Computing**, we have been learning about branching databases.

In **French**, the children have been learning the names of different animals.

In **Music**, the children have learnt all about the musical terms pitch, rhythm and pulse and have explored this through multiple genres of music.
