

Year Three!

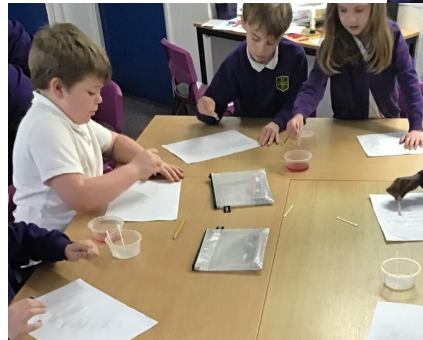

British Science Week

To celebrate British Science Week, we spent some time thinking about how science and the skills we learn can help us in so many careers when we are older.

We also got to try out a cool experiment making our own invisible ink! This had varying success levels but we also learnt that this is part of being a scientist!

a

Dereham Delivers!

This half term we have been thinking about all the great things that Dereham has to offer us. We took a lovely walk around town and thought about all the different ways the land is used. We have also created our own sketch maps, following a route from school to St. Nicholas Church.

Reading at Home

Children are expected to read a minimum of 3 times each week at home.

Please ensure that your child reads 3 times each week. Thank you in
