

# YEAR FOUR

A **HUGE** thank you to DJA Friends for funding our One Day Creative helping us learn about the **water cycle**! Photos will be available on the website soon.

## English

We are full of ideas when it comes to our new topic— The River. We are creating our own poems using personification and metaphors. Have a listen to our model text here... <https://childrens.poetryarchive.org/poem/the-river/>

## Maths

We have been continuing our work on fractions this term. Learning how to add and subtract fractions. Ask us how to work out these problems...!

$$4 - \frac{7}{5} =$$

$$\frac{3}{5} + 3\frac{1}{5} =$$

$$1 - \frac{5}{8} =$$

$$4\frac{5}{6} - 2 =$$

## Thinking Day 2025!

Thank you to those that wore their uniforms on Thinking Day.

Don't forget  
Parents'  
Evening!
